

## Behind The Scenes: July, 2011

### To - Members/Subscribers of the Summit Playhouse

Welcome to *Behind the Scenes*, The Summit Playhouse's new open report to its members/subscribers. It was brought to the new Board's attention at its last meeting that you wanted to know more about what is going on *Behind the Scenes* at the Playhouse. As a result Joann Scanlon and Rose Pancirov were asked to chair this important position. So periodically you will be receiving a link to a report of the goings on at the Playhouse. This report will be posted on the Playhouse website. At any time you can check the website for Playhouse updates under *Behind the Scenes*.

### Board Meeting - July 28, 2011

- At the joint meeting of the Board, members reflected on Betty Kaus' memorial service and the reception that followed where slides were shown on Playhouse shows she was involved in as actress, director, producer, you name it. And as another tribute to all that Betty had done for the Playhouse, both the old and the new Board agreed with Joann's recommendation that the upcoming season be dedicated to Betty.
- Filling the numerous roles Betty played is primary on the Board's list most important are
  - coproducer of the winter show, *All My Sons*, with Theresa Turner
  - coordinator of the Summit Street Fair
  - house manager for all three shows (will be Producers responsibility to fill)
  - season scheduler of ushers (falls under house manager)
- Our fall production, *Meet Me In St. Louis* – has been cast -- to be announced
- We are trying out having a paid concession stand at the *Oz* performances
